TALON

"Let Us Walk, My Friend"

Let us walk together and talk for awhile.
We'll talk about whatever's on your
mind —
whether it be your joys or your sorrows
(I won't even mind if you cry).

Let us walk together and talk for awhile.
You can tell about a new love you've
found — a secret place in the woods
where you like to go and think,
or just a corner in your room
that is your own —
I won't tell a soul,
just a secret between the two of us.

Let us walk together and talk for awhile.
You can tell me your dreams and your
hopes and your fears;
and I will do anything I can
to help you reach those dreams
and to vanish those fears
from your mind.

Let us walk together and talk for awhile.
I can tell you how I love
you in a way you'll understand —
whether it be for your laughter,
your true expression of emotions
(which are never false),
or your sincere kindness —
I do not know.
But I will love you just the
same, my friend, and I will
shout it for all the world
to know.

So let us walk, my friend.
Let us walk together and
talk for awhile.

— Karla Jones

Where are you going?
Where have you been?
You look like you could use an old friend.
Why don't you call me up,
and we'll share a Saturday smile?
It would be nice to hear you laughing awhile.
If the problems of tomorrow are weighing heavy on your mind, count the blessings of sunny yesterdays captured in an enchanted hour glass of time.
Remember the smiles of people passing down halls green locker lined, remember how when the jam fell out the combination was impossible to find.
Remember coming home late from Football games and not remembering who won because a certain person came.
Remember the dances, the proms and the Queens, how awkward you felt leaving home without your favorite jeans.
Remember the dates you got . . .
. . . and the ones you didn't get!
(while being thankful for the ones you got)
Inspite of all the new friends you will meet along life's way, don't forget the ones who walked beside you down the halls of school today.

— Christie Volle

While walking through the maze of life
if you stumble, reach out
I will pick you up and steady you
if you get lost; call out
I will answer and guide you back
if you become uncertain; ask me
I will reassure you

if you need someone to talk to; call me
I'm here to listen.
If you are lonely I will walk beside you
If you are afraid I will comfort you
If you are sad I will cheer you
But don't forget . . . . I'll also need you.
— Christie Volle

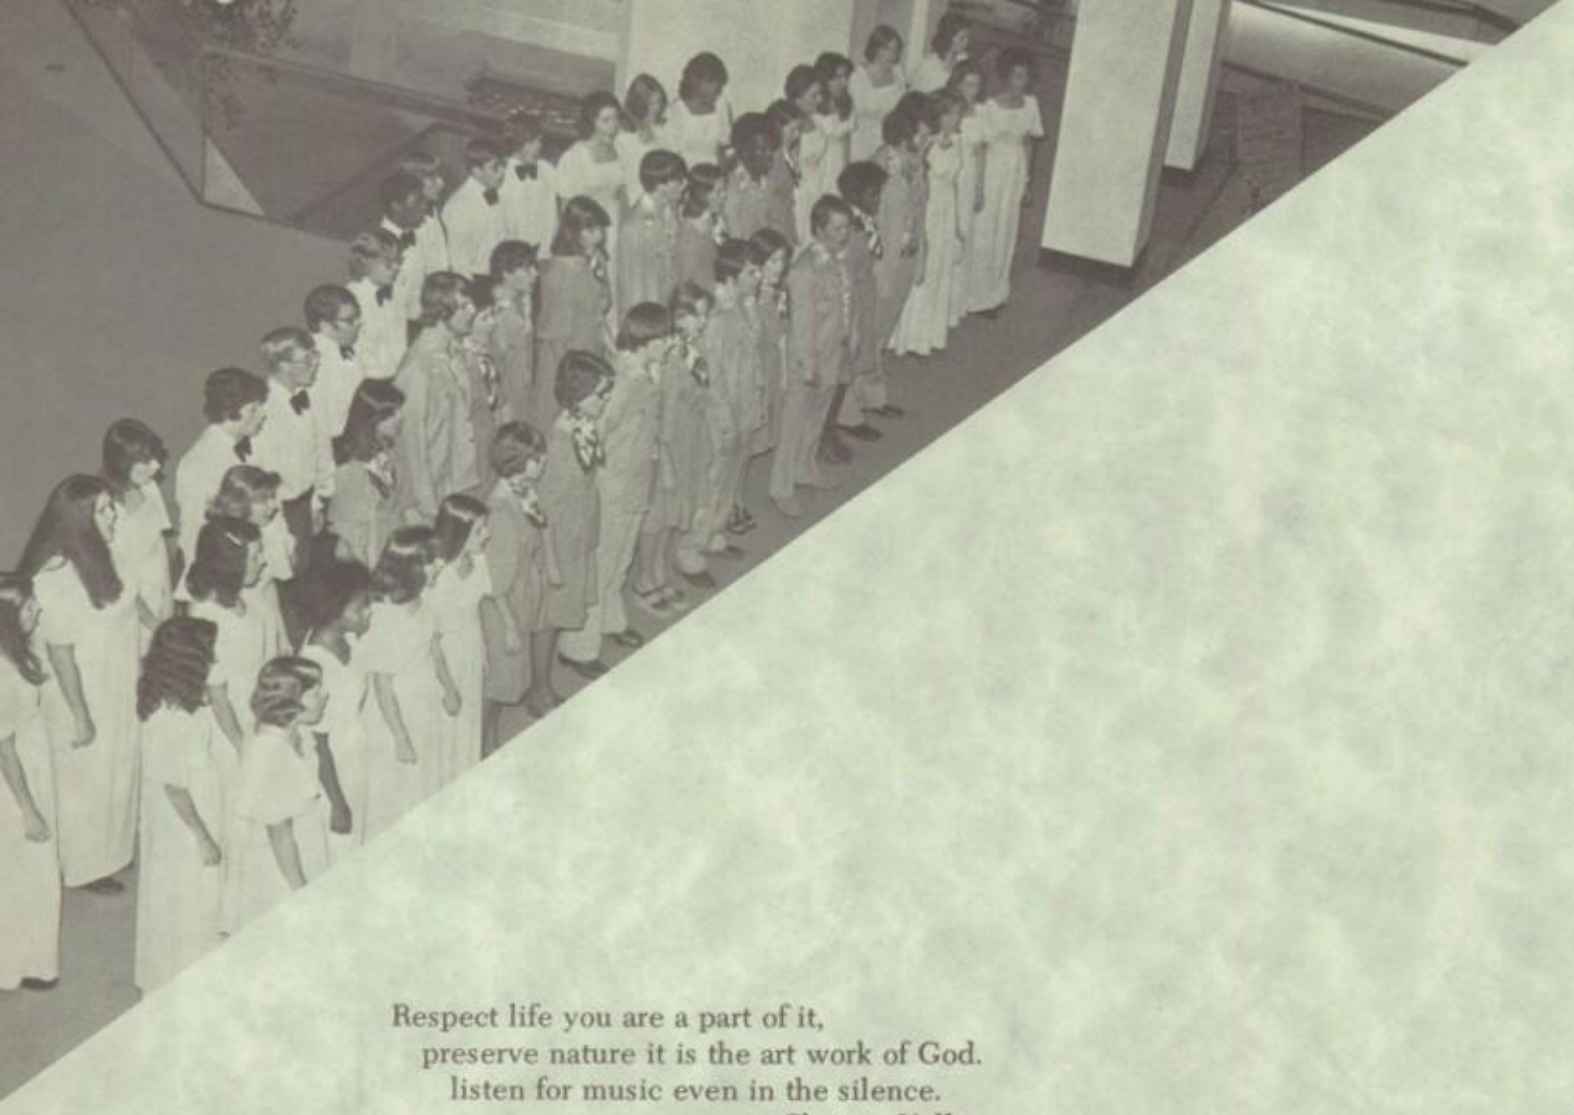
He demands respect, encourages self-improvement, possesses a remarkable sense of humor, is willing to communicate with others, and is altogether a special human being who devotes his time and energy to us, the students at Southeast. These qualities are possessed by the man to whom we gladly dedicate the 1976 Talon:

Mr. "Coach" Thomas L. Hogan



Respect life you are a part of it,
preserve nature it is the art work of God.
listen for music even in the silence.
— Christie Volle

Reach for a star —
even if you miss,
you may fall at the end of a rainbow.
— Christie Volle

Memories

are to be

dwelt upon . . .

. . . reflected on;

but not lived in.

Through Life
I'm on my way through life,
through existance, through time . . .
I've savored more love and sorrow
than ever played out in any movie,
Known more feelings than life has itself,
And cried enough tears to swell the rivers.
Yet I'm sailing on through life
without slowing down or backing up
to pick up pieces left along the way.
I'll be myself as long as I have myself.
And when I'm gone, there'll be nothing left
to show where I've been
except a long, lonely trail of memories . . .

WE'VE ONLY JUST BEGUN TO LIVE,
WHITE LACE AND PROMISES
A KISS FOR LUCK AND WE'RE ON OUR WAY.

BEFORE THE RISING SUN WE FLY,
SO MANY ROADS TO CHOOSE
WE START OUT WALKING AND LEARN TO RUN.
AND, YES WE'VE JUST BEGUN.

SHARING HORIZONS THAT ARE NEW TO US,
WATCHING THE SIGNS ALONG THE WAY,
TALKING IT OVER JUST THE TWO OF US,
WORKING TOGETHER DAY TO DAY,
TOGETHER.

AND WHEN THE EVENING COMES WE SMILE,
SO MUCH OF LIFE AHEAD
WE'LL FIND A PLACE WHERE THERE'S ROOM TO GROW,
WE'VE ONLY JUST BEGUN.

Cone fabrics have stood for freedom from the start...since 1895, when America began living in them. The first to come to light was deeptone denim, and Cone became the leading manufacturer of this famous fabric. Next, came corduroy, an equal winner. But Cone didn't stop there. In fact, denim and corduroy are just two of the many fabrics that have won acclaim for Cone Mills in its 81-year history.

Today, with 23 modern plants, Cone creates a whole line of quality fabrics for casualwear, sportswear, sleepwear, uniforms and career apparel, fabrics for home-sewing—even polyurethane foam and dyestuffs are now part of the Cone family of products.

The employees of Cone Mills—approximately 14,000 in all—are proud of their part in creating basic fabrics that are the backbone of American casual fashion.

We have all walked together many times,
but all the roads that we ventured were different
and all unique.
Each new road, we walked it and on the way,
accomplished all goals that were set before us and
overcame all problems that were in our way;
for we walked the roads together
and we were joined by our everlasting love and friendship
for one another.

Good morning yesterday.
You wake up and time has slipped away —
And, suddenly you realize,
The memories you left behind, Remember?
Do you remember the times of your life?
